

Alternative Destination Appeal Form

Approved Alternative Destinations lists the only alternative recycling programs that can currently be supported by the ARL. Members using other alternative recycling programs who wish to communicate these through the ARL can apply to APCO to have them formally recognised and included on the Approved Alternative Destinations list.

To apply to include your alternative destination to the Approved Alternative Destination list, please complete and return this form to APCO, along with **all** supporting documents. You can send your completed form to arl@packagingcovenant.org.au.

Application Details

Contact Name (First and Last)

Member Organisation

Email

Phone Number

Packaging Item

PREP Evaluation Date

What is the alternative destination you are suggesting for recycling?

What materials are applicable for this alternative destination recycling?

Please provide further information on this alternative destination. We will ask you to include supporting documentation, including evidence of the programs validity and viability and any actions required by the consumer to ensure recyclability.

Supporting Documents

Please tick and include the following supporting documents with your application:

- Copy of the PREP Recyclability Evaluation Report
- Evidence of the programs validity and viability
- Any other supporting documents
