

PREP Evaluation Appeal Form

If a Member disagrees with or has concerns about the recyclability results generated by PREP for a particular packaging item, or if they believe that any of the underlying assumptions, information used, or thresholds adopted in PREP are inaccurate, they are encouraged to bring this matter to the attention of APCO.

To submit a PREP Evaluation Appeal, please complete and return this form to APCO, along with **all** supporting documents. You can send your completed form to arl@packagingcovenant.org.au.

Application Details

Contact Name (First and Last)

Member Organisation

Email

Phone Number

Packaging Item

PREP Evaluation Date

Please detail which aspect of the PREP Evaluation you are appealing. For example, recyclability outcomes, any underlying assumptions made in PREP, information used, accepted thresholds, etc.

Please provide details on why you believe the identified aspect of your PREP Evaluation requires a review?

Please provide any further information to your appeal. You may wish to include detail of packaging specifications, contamination thresholds, new reports and data, or any other supporting information.

Supporting Documents

Please tick and include the following supporting documents with your application:

- Copy of the PREP Recyclability Evaluation Report
- Any other supporting documents
